

BACHELOR OF ARTS

SUSTAINABILITY STUDIES

INDIANA UNIVERSITY
ONLINE

Become an effective agent of change.

Sustainability is vital in meeting today's environmental challenges. Students in IU Online's **BA in Sustainability Studies** learn about climate, energy, geography, history, sociology, and economics to tackle such challenges.

As a student in the program, you learn to:

- Develop a systems approach to sustainable practices.
- Design innovative sustainable practices and assess their impact.
- Effect sustainable solutions in real-life settings.

Career Outcomes

The online BA in Sustainability Studies prepares you for such careers as:

- Sustainability policy consultant
- Sustainability program coordinator
- Environmental advocate
- Environmental engineer
- Natural sciences manager
- Energy auditor or manager
- Ecotourism guide
