

BACHELOR OF SCIENCE MEDICAL IMAGING TECHNOLOGY

INDIANA UNIVERSITY
ONLINE

Complement your technical certification with the skills you need to advance your career.

IU Online's **BS in Medical Imaging Technology** teaches you the skills you need to pursue opportunities in healthcare leadership, healthcare education, research, and graduate school.

As a student in the program, you gain knowledge in medical imaging technology principles and procedures, anatomy and pathology, and research practices. The program prepares you to communicate effectively, think critically, and apply problem-solving skills in the healthcare environment. As a graduate of the program, you will possess the professional's ability to function as an active member of the healthcare team.

The online BS in Medical Imaging Technology is for you if you are certified in:

- Radiography (ARRT)
- Nuclear medicine (ARRT or NMTCB)
- Sonography (ARRT or ARDMS) or
- Radiation therapy (ARRT)
