

MASTER OF SCIENCE CRIMINAL JUSTICE & PUBLIC SAFETY

INDIANA UNIVERSITY ONLINE

The **IU Online MS in Criminal Justice and Public Safety** will appeal to those interested in policing, homeland security, and emergency management, and those seeking advancement in these fields. Coursework covers such special topics as crime mapping, geographic information systems, and cybersecurity. As a student in this program, you identify and analyze current criminal justice and public safety policies using research and empirical evidence.

You choose one of two concentrations:

Public Safety Concentration

Learn to assess public safety risks using analysis tools and develop plans to prepare, manage, and mitigate natural and human-made crises.

Criminal Justice Concentration

Analyze the nature and extent of crime, critically evaluate major theories of crime, and assess the effectiveness of criminal justice systems, non-criminal justice programs, and other policies and practices that respond to crime.

Career Outcomes

Your degree will prepare you for such careers as:

- Police or corrections officer supervisor
- Criminal investigator
- Emergency management director
- Public safety officer
