

MASTER OF SCIENCE IN EDUCATION TEACHING, LEARNING, AND CURRICULUM

INDIANA UNIVERSITY
ONLINE

Gain the skills you need to assume an advanced position or leadership role in education.

The IU Online Master of Science in Education (MSEd) in Teaching, Learning, and Curriculum introduces you to the most current and innovative practices in these three facets of education.

Explore the interplay of teaching, learning, and curriculum and discover approaches that enable students in a variety of educational contexts to learn effectively.

As a student in the program, you:

- Learn to design curriculum that facilitates equitable learning opportunities for all.
- Critically analyze research-based practices and their effectiveness.
- Design and implement an empirical study.
- Synthesize evidence and make decisions regarding effective, ethical pedagogy.

Pick a Specialty

Tailor your degree to your professional interests by choosing one of four tracks:

- Early childhood care and education
- STEM and arts innovations
- Teacher leadership and instructional coaching
- Educating exceptional leaders
